CONTRACTOR
TRANSPORT LLC

Contractor Transport, LLC (CT) is a fluids and environmental solutions provider offering customized services to the water, stimulation, fracturing, fluids, and production needs of our customers throughout the U.S. CT's Pennsylvania & West Virginia based local teams consist of professional and field service resources throughout the Marcellus & Utica Shale regions. CT employs more than 350 local personnel ranging from CDL drivers, environmental technicians, equipment operators, safety personnel, heavy equipment operators, and laborers throughout Eastern US.

Safety

CT is committed to providing our clients with the safest most dependable solutions. Our local footprint and young fleet specialized for the energy industry coupled with our customer centric employees enables us to provide true 24/7 customer service. At CT, we believe that every accident, and therefore every injury, is preventable, and we embed that philosophy into every CT effort through a combination of technical field procedures and ongoing training programs. Every employee has stop-work authority—if it's not safe, don't do it. The result is exceptional safety performance, even in hazardous work environments, severe weather, and remote locations. All CT employees are put through a rigorous onboarding training program that consists of classroom training as well as on the job training.
